

On top of serving delicious local food & drinks, our top priority is keeping all our customers and crew safe.

The measures we have in place are:

- **Tables spaced out**
- **One way systems**
- **Wearing face coverings**
- **Hand Sanitising stations**
- **Staff temperature checks**
- **Card payments where possible**
- **Serving from a 1-metre distance**
- **Only seating parties of 6 or less**
- **Sanitising seating areas throughout the day**
- **Track & Trace**

By law, one member of your party has to provide contact details on either our online form, physical form or the NHS app. The QR code is displayed by the entrances  
By giving your details we can notify you if need be (data will be stored for 21 days).

The team are adapting well to the safety measures, but we do ask in return that all guests do their part in following the procedures to keep everybody safe.

**This includes wearing a mask whilst visiting our site and only removing once seated at your table.**

If you do visit us on the coast, we also ask you to be patient with our team who are working extra hard to keep you safe. As a result, service may not be as speedy as usual, please bear with us.

**THANKYOU**
